- 30.6 Employee Transfer for Operational Reasons.
- 30.6.1 An employee may be transferred for operational reasons, from one location to another location within 10 km of the original location without prejudice to whether the employer or the employee.

- 30.6.2 Operational reasons for these purposes are as follows;
- (A) loss parking location contract; or
- (B) at the request of the owner/ lessor of the car park. This may be necessitated because of a complaint about the employee, which may or may not be substantiated; or
- (C) due to a downturn in occupancy rates.

- 30.6.3, If the employee elects not to move then the employee will be deemed to have resigned.
