Winners Announced in National Parking Industry Awards

Parking Australia, the national association for the parking industry, has announced the winners for the 2019 Parking Industry Awards, which were held at Metropolis Events in Melbourne last night.

The prestigious Parking Industry Awards celebrate the achievements of individuals, teams and organisations for innovation, excellence and outstanding facilities throughout the parking sector. The Awards aim to highlight the industry's commitment to raising the standards of the parking industry, by showcasing exemplary projects from the last 12 months.

"We applaud winners and finalists for pursuing the type of innovations that drive the parking industry forward, as well as campaigns that provide an enhanced level of customer experience," said Parking Australia CEO, Stuart Norman.
