

Message from the CEO - Stuart Norman

The parking industry is, more often than not, portrayed in a negative light when receiving any sort of media coverage. It's difficult to find fair and balanced articles. One such example was published in The Herald Sun on 14 July 2019 with the headline, 'Inspectors Ring Up Riches'.

Before I go into detail on this article's misdeeds, it is a timely reminder as to why we have John Pender the CEO of the Australian Press Council speaking at OUTLOOK in November. Read more....

Melbourne Commuter Car Park Forum

Parking Australia is holding a Commuter Car Park Forum for all stakeholders to attend and hear about these projects can and should be delivered. The Forum will include the Federal Minister for Population, Cities and Urban Infrastructure - Alan Tudge.

What makes a great commuter car park | ptc.

The Federal Government plans to invest \$500m in commuter car parks across Australia. As we have posted in the past, the first step is to understand if a commuter car park is the best alternative for each location.
