CELLOPARK CONFIRMED AS GOLD SPONSOR FOR AUSTRALIAN PARKING CONFERENCE

CellOPark Australia, the country's leading provider and integrator of Pay-by-Phone, Pay-by-App and Virtual Permit parking solutions for councils and campus parking providers, has been confirmed as Gold Sponsor for the 2018 Parking Australia Convention & Exhibition (PACE).

"We are thrilled to support PACE 2018 and the vital role it performs in promoting the latest advances in parking. The convention is a fantastic platform to showcase technology, engage with industry peers and share ideas," said Ori Almog, Managing Director of CellOPark.

The theme for 2018 is the *Changing Space* of parking, and the event is a must-see attraction for the local parking industry, especially if you are seeking out the latest technology, learning about new innovations or trying to convince your manager to make that future investment. Sharpen your skills, further your personal development, and make invaluable connections at PACE 2018.

"We are pleased to receive the support of an industry pioneer such as CellOPark, a company that has significantly altered the consumer's day-to-day experience of parking, making the lives of hundreds of thousands of people easier. It's a great fit for the ethos behind the convention", said Lorraine Duffy, Interim CEO of Parking Australia.

PACE 2018 takes place from 31 October – 2 November at The Star Gold Coast. To register visit www.pace2018.com.au.
