

The PARKING INSIDER

Message from the CEO - Stuart Norman

It's with great excitement that I write this, my first CEO piece for the Parking Insider. While I have spent a significant period of my professional life representing various industries, I'll be the first to admit that I'm new to the parking industry. As such I'll be engaging with members to assist me to understand the issues affecting you, the member. [Read more](#)

Video: Year in Review 2018

A brief overview of the events and activities that Parking Australia undertook during 2018.

Why autonomous vehicles won't reduce our dependence on cars

The technology of autonomous vehicles (AVs) is progressing rapidly, but have we really thought through how they'll work in reality? In its report on AVs in Australia, Austroads paints both positive and negative scenarios for the future.
