

## Advocacy During the COVID-19 Crisis

Parking Australia has been extremely active in advocating for the industry during this national crisis. This has included engagement with the Coronavirus Business Liaison Unit, the NSW, WA and Victorian Governments on Congestion / Parking Space Levies, other key industry bodies and of course, many members from a range of segments in the parking industry. [Read more....](#)

## Federal & State Government Stimulus Measures

In addition to the measures announced by the Federal Government, the Prime Minister and Treasurer have revealed their plans to subsidise the wages of working Australians as part of the JobKeeper payment. The JobKeeper Scheme will see businesses...
