

EXPERIENCED TRAFFIC/CIVIL ENGINEER

PTC is a boutique consultancy firm offering a unique set of services in the transport sector with specialists in traffic engineering, road network modelling and parking design..

Our head office is located in Cammeray, from which we service clients all over Australia as well as overseas. Our clients include a wide range of blue chip companies in the property sector and leading Government agencies operating within all land-uses (airports, hospitals, universities, shopping centres, commercial and residential developments).

Our well consolidated team provides a nurturing environment where the human element is of utmost importance. We treat our staff and our clients as we ourselves expect to be treated. You can check our values as well as the details of the team, clients and projects on our website at www.parkingconsultants.com

Job Summary

Due to our success and continuing growth we are looking to expand our team with the addition of an experienced traffic or Civil engineer to join the team of traffic engineers.

This fantastic full time opportunity will provide the right candidate with access to a wide range of projects in the traffic and parking sectors. You will have the opportunity to develop a motivated team of professionals and support management in the development of opportunities and bid preparation.

Skills and Attributes:

- Relevant tertiary qualifications
- Demonstrated experience (between 3 and 5 years) in relevant employment
- A strong background in a private practice, ideally with good contacts in government authority bodies and in industry (property owners, developers, architects, town planners)
- Team support experience, including project delivery and skills transfer

- ability to manage and strengthen relationships with new and existing clients
- Demonstrated commitment to continuing professional and self-development
- Excellent written and oral communication skills, including the ability to communicate with a range of stakeholders
- A proactive attitude with a strong commercial approach whilst delivering professional services of the highest standard
- Demonstrated problem solving skills, initiative and ability to respond effectively to change
- Proficiency in design and modelling packages
- Demonstrated ability to manage projects and to achieve quality outcomes within agreed timeframes and budgets with minimal supervision

We value our staff and reward them appropriately with a highly attractive salary package and a range of benefits, commensurate with experience. We would love to hear from you so please send your resume and cover letter to info@parkingconsultants.com
